

March 13, 2020

As many of you know, Governor Whitmer has ordered the closure of all K-12 school buildings for three weeks, beginning Monday. Therefore, NORA will be putting our classes, activities & events on hold from March 16 – April 3, 2020.

We are keeping current on the latest developments and making decisions intended to keep our students and families healthy and safe. At this time, we are working with local school & health care officials to monitor this unprecedented situation.

We will provide additional updates as more information becomes available in regards to NORA activities. Thank you for your support and commitment to the health of our community.

Sincerely,

Chris Van Hekken
