

MParks Conference next week for our programming but this would be a good way for renting facility.

8. New Business

- A. NORA Intern. Hollister introduced herself and told a little about her background.
- B. Member at Large openings – Van Hekken will be having a conversation with Baumann, Supervisor, Port Sheldon Township.

9. Public Comments—Mike Dora said he was glad to hear that the millage proposal is moving forward.

10. Advisory Board Comments or Suggestions –

- Taylor was also glad that this resolution is approved.
- Redick commended Van Hekken for working toward collaboration with the YMCA
- Belter stated the need to work toward a relationship with the Spring Lake community.
- Hayward is also happy with what's happening here. He did thanked NORA staff for coming out and seeing the drop in volleyball program and finding a way to keep the men's programs alive.
- McCaleb stated that she likes what she's seeing from the reports that Van Hekken has been presenting. Things are looking much better.
- Streng commended that he is seeing new ways to help families be able to afford to do extra things.
- Cummins thanked the board for getting him all up to speed. It's great that we talked about millage at my first meeting.
- Kuck stated she is really happy to hear where we're going.
- Belter likes what she is seeing.
- Bessinger thanked everyone for getting this resolution approved.
